Rev A. A. Phelps,

Boston,

Mass.

Mrs. H. G. Moore.

Wrentham Feb 14. 1839.

Dear Brother Phelps,

Mr. Moore was absent when your circular arrived, and has not yet returned. I expect him to stay, but he may not come till Saturday. He has received a second call from Lebanon, and has gone to see them. He will attend to the business of getting subscribers to the new paper, immediately, upon his return. We are very glad the prospects of the paper, are so good, and wish it "Good Luck".

We shall all be happy to see you here, as soon as you are able. Love from all.

Your affectionate sister,

H. G. Moore
